The Jefferson City Symphony is dedicated to bringing quality symphonic music at a reasonable cost to Central Missouri. However, in order to do so, we have to spend money on auditorium and music rentals, soloist fees, and ASCAP and BMI fees for the right to perform the music. Ticket sales and grants cover only a portion of our yearly budget. Placing an ad in our program not only helps support your local symphony, but also puts your company's name in front of over 1000 people while waiting for concerts to begin.

Your ads will appear in all three JCSO concert programs during the 2019-2020 season:

- Sunday, October 27, 2019 —4:00pm
- Tuesday, October 29, 2019 —6:30pm
- Tuesday, February 11, 2020 —7pm
- Tuesday, April 21, 2020 —7pm

Deadline for submission: October 8
