JEFFERSON CITY SYMPHONY ORCHESTRA  
2022/2023 CONCERT SEASON  
PIANO CONCERTO COMPETITION

Saturday, February 4, 2023  
Jefferson City, Missouri

Winner will perform in concert with  
THE JEFFERSON CITY SYMPHONY ORCHESTRA  
\$500 Honorarium

Dear Music Educator:

The Jefferson City Symphony Orchestra (JCSO) is pleased to announce that it will again sponsor its Missouri Student Piano Concerto Competition, the winner of which will have the opportunity to perform a major piano work with the Jefferson City Symphony Orchestra on its final concert of the JCSO 2022-2023 Concert Season, April 25, 2023. An honorarium of \$500 will be awarded to the winner of the competition along with hotel and food expenses. The hotel and food expenses, paid by JCSO, shall not exceed three nights.

Each Missouri college, university or private teacher is permitted to submit candidates for the competition. Also eligible are residents of Missouri studying out-of-state. Below is an entry form for this purpose. Please feel free to make additional copies as needed. The form and \$30 entrant fee deadline has been extended to January 5, 2023. The check or money order should be made payable to the Jefferson City Symphony. The entrant fee is non-refundable if the student is later unable to audition. Winner must attend the following dress rehearsals: April 23, 2023 at 2:00pm and April 24, 2023 at 7:00pm. The winner is also highly encouraged to attend two rehearsals prior to dress rehearsals and mileage will be paid.

Auditions will be held Saturday, February 4, 2023, in Jefferson City, Missouri, at Mitchell (Richardson) Auditorium, on the Lincoln University campus. This is the same venue for the winner's performance with JCSO. Each candidate will be expected to play the complete concerto from memory – no arrangements are allowed. A second piano will be available for the entrant's accompanist to play the orchestral piano reduction. A member of the JCSO Board of Directors will be one of the adjudicators. Please bring any additional available scores for use by the Jury – no photocopies are allowed.

On the reverse side is the flier cover page regarding the competition. Please post this in a strategic location for student attention. We are very pleased to share this opportunity for all students in Missouri schools and piano studios. Those students who may not be prepared to compete this year are encouraged to work on a piano concerto with next year's competition in mind.

The following concertos were performed during the last two JCSO concert seasons and will not be eligible for competition this year: Schumann "Piano Concerto in A minor op. 54" and Saint-Saens "Piano Concerto no. 5 op. 103".

Best wishes to you for a successful year in music!

Sincerely,

Gary Sanders
